## **RESPECTFUL PRAISE**

*I congratulate H.H. Master Wan Ko for exhibiting the magnificent power of great compassion and bodhi. The Master is the magnificent sambhogakaya Buddha who has descended to the human world again, who teaches the authentic Buddha-dharma, and who liberates living beings. I, an ordinary monk, thus offer my reverence and respectful praise. This is the first time since the teachings of Buddhism have been propagated that such accomplishments have been seen. His Holiness's accomplishments are unprecedented in this world and reflect the pinnacle of wisdom. May H.H. Dorje Chang Buddha boundlessly save living beings, and may A Treasury of True Buddha-Dharma exist forever!*

*I respectfully prostrate to H.H. Wan Ko Yeshe Norbu!*

*I hereby offer my special congratulations!*
